

Why do more than One Thousand Pastors take their spouse to a Weekend to Remember Marriage Getaway every year?

> > > > > > > >

Why do more than Ten Thousand churches invite the couples in their flocks to build into their marriages through a Weekend to Remember Marriage Getaway?

> > > **The answer is simple. *Because God transforms lives there.***

Every year, more than **50,000** men and women experience the transforming power of Jesus Christ through a Weekend to Remember, and more than **2,000** come to faith in Christ! **Thousands** more re-commit their lives and families to His lordship. For many couples it is simply a tune-up to renew and refresh their relationship. For others it is their final hope, and hope is exactly what they find!

> > > **Many Pastors have shared that a Weekend to Remember produces the equivalent impact of six months of pastoral marriage counseling.**

The Weekend to Remember does not replace your pastoral counseling, it simply serves as an additional resource for already overloaded pastors who have the desire to minister to their flock. For many couples it is a point at which God meets them, and opens the door for you to go deeper with them.

Good Marriages RENEWED & STRENGTHENED ~ Broken Marriages REDEEMED & RESTORED

> > > > **What makes the Weekend to Remember so transformational?**

- **The content is *Biblically Centered*.** You can trust that our content accurately reflects what the Bible teaches about marriage, including a clear presentation of the gospel.
- **The weekend is not a lecture, but *Practical Training*.** We include interactive activities that open up conversations and allow couples to put principles into practice immediately.

- **The live speakers are *Authentic and Real*.** They openly discuss the challenges that marriages face, including their own struggles. At the same time they demonstrate that problems can be overcome, and there is hope.

PASTOR SCHOLARSHIP

In appreciation of your investment in the lives and marriages of those in your congregation and community, FamilyLife would like to extend a **FREE** registration for you and your spouse to experience a Weekend to Remember marriage getaway.

>>> How can my church participate?

1. Begin by visiting <http://GCMobile.FamilyLife.com> and creating a unique **Group Name** for your church under our **Weekend to Remember Group Plan**. This plan allows any couple in your congregation, or the community, to **save \$100** on the cost of registration, and for every five couples who register, the church receives a **FREE couples' registration**. Many churches use these free registrations to scholarship couples in need that cannot afford to attend. Also, your people can use the Group Name to attend any of the 80+ Getaways all across the country.
2. Next, invite a **lay couple** in the church to serve as the point people in inviting your church family to the Getaway. As a pastor, you have enough on your plate, and the Weekend to Remember is designed as a resource to lighten your load! In most churches, God raises up a couple with a passion for marriages and families, and these champions are a breath of fresh air to their pastors.
3. As the event approaches, local volunteers will come alongside your church group coordinator couple to equip them with posters, brochures, and other invitational resources... especially encouragement!
4. Finally, make sure to take advantage of our pastor scholarship and bring your spouse for your own Getaway! Read the testimonies below to learn what other pastors have said after a Getaway.

PASTOR TESTIMONIES

"Thank you for gifting us this weekend. As the pastor of a small church, we would not have been able to attend. We have wanted to come for years. I have recommended this to others now that we know what a great resource it is for strengthening marriages. We feel renewed."

Pastor, Married 30 years

*I was quietly planning my exit strategy from our marriage. This weekend challenged me to stick it out and keep working at our marriage. Thank you. Last night we talked about a topic we haven't spoken about for 23 ½ years. It was about time. **Married 23 ½ years***

"Thank you for providing this conference free for pastors. I would not have come unless this scholarship was available. I have come away with a marriage tune up and a greater commitment to share with my congregation what we've experienced."

Pastor, married 9 years

*"It is so rare, if not non-existent, for someone to invest in and care for and about me and my marriage. It is indescribable how deeply needed this is in our life and marriage. Thank you!" **Pastor's wife, married 14 years***
